

A **HOPE** Centered Approach

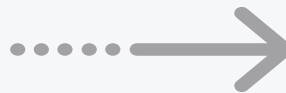

HOPE is the belief that your future will be better than today and you have the power to make it so.

Vision: In combination with HOPE, frequent and quality engagement are vital to promoting the safety and welfare of children and families involved in the child welfare system. By providing families with support that enhances their autonomy, they will have the power to make their future better than today.

Mission: The Family Meeting Continuum is designed to ensure children and families are involved in making decisions about their lives.

Goals:
How do we help families
achieve these goals?

Pathways
